The Dogwood

Since the early 2000s, Crane Building Company (CBC) has been constructing quality custom homes of all sizes and styles in St. James Plantation. Prior to focusing on the Southport area, CBC built homes in Raleigh, Cary, Apex and Chapel Hill, NC.

Owned and operated by George Crane, Crane Building Company is Energy Star certified and is experienced in creating homes that maximize energy efficiency. Customers have specific wants and needs when designing and constructing their dream home and CBC prides itself on listening to the customer. Every detail of the home is reviewed to ensure the utmost in quality and functionality and the end result is a beautiful custom home that's unique and personalized!

George has been involved in residential construction for over 20 years and received a Construction Management degree from East Carolina University. He personally visits the building site daily to oversee all aspects of the construction process. His experience, education, building quality and customer-oriented focus have helped make him successful. We are delighted to have George and his team at Crane Building Company participate in The Showcase of Homes!
